DOUBLE OUTLINE POLISHED LETTER • A deep line is sandblasted around each letter, the background is flashed off within the confines of a panel leaving each letter polished. Available for **family names only** on all polished granites.

LETTERING AND RESTORATION

IN-CEMETERY LETTERING • Remco craftsmen can match any size or style of lettering on your memorial without removing it from the cemetery. Factory quality is guaranteed and lettering can be added to any marker regardless of original supplier.

MEMORIAL RESTORATION • Remco's skilled craftsmen can restore an existing memorial that has become difficult to read, by removing all lettering and design, expertly re-finishing and re-polishing the stone to its natural colour and beauty, then adding whatever new design or lettering has been chosen. All work is guaranteed.
